School Ball Arrival & Pick-Up Information

We're excited to welcome you to Ellerslie Events for your upcoming school ball!

To ensure the evening runs smoothly and safely, please take a moment to read and share the following information with students and parents.

Buses & Large Limousine Drop-Off

Enter via Gate 2 where security will be stationed near the palm tree-lined road. Vehicles transporting ticketed students may continue to Gate 5 for drop-off. After drop-off, vehicles must exit through Gate 4 onto Mitchelson Street. Vehicles carrying non-ticketed individuals will be directed around the roundabout and required to exit back through Gate 2.

All Other Vehicle Drop-Off

(Cars, Small Vans, etc.)

Enter at 16 Derby Downs Place. Drive through the tunnel and continue along the internal road to reach the infield carpark. Students will be dropped off at the designated school ball drop-off point and should walk via the pedestrian tunnel beneath the racetrack to reach the Event Centre. (Please do not cross the racetrack.)

The walk to the Ellerslie Stand (the first white building you'll see) is approximately 200 metres. Vehicles transporting non-ticketed individuals will not be permitted to access the school ball drop-off area.

Pick-Up Information

The pick-up process will follow the same route as drop-off:

- Buses and large limousines will collect students from Gate 5, exiting via Gate 4 onto Mitchelson Street.
- All other vehicles must collect students from the infield carpark via 16 Derby Downs Place.

Wet Weather

In the event of inclement weather on the day of your school ball, please follow the directions as advised by our security team. Should the conditions require it, the drop off/pick up zone may be moved to allow students a shorter walk to the venue.

Security Measures

For the safety of students & teachers there will be security measures in place on arrival to Ellerslie Events. For more detailed information please contact the school directly.
